JOHN DOE INVESTIGATION
KENOSHA, WISCONSIN

Re your airtel 7-4-64.

The proposed undated letter to WDCI and its enclosure have been reviewed and the Bureau interposes no objection to your transmitting the same to proper authorities of the WDCI.

NOTE: Recent Wisconsin legislation established Wisconsin Department of Criminal Investigation (WDCI) under direction of Assistant Attorney General, state of Wisconsin. Milwaukee Office has advised this group, as part of their John Doe inquiry in Kenosha, will inquire into the murder of Anthony J. Biernat, which matter has been and is currently under investigation by our Milwaukee Office. The WDCI has requested Milwaukee to furnish information obtained as a result of its investigation in order to avoid duplication of investigative effort and avoid pursuing information which we already know will deadend.

Milwaukee has submitted for Bureau approval letterhead memoranda to WDCI for its use in their John Doe inquiries in Kenosha. These memoranda contain summary of information developed by us in our inquiries into the Biernat murder and pertain to witnesses to the abduction, information re possible motivation, information re suspect, and physical evidence. The information contained in these memoranda will not compromise any informant who furnished information pertaining to our Biernat investigation.
